PPLOG

Multi-Purpose Logistic Carrier

DEFENCE

EN

PPLOG

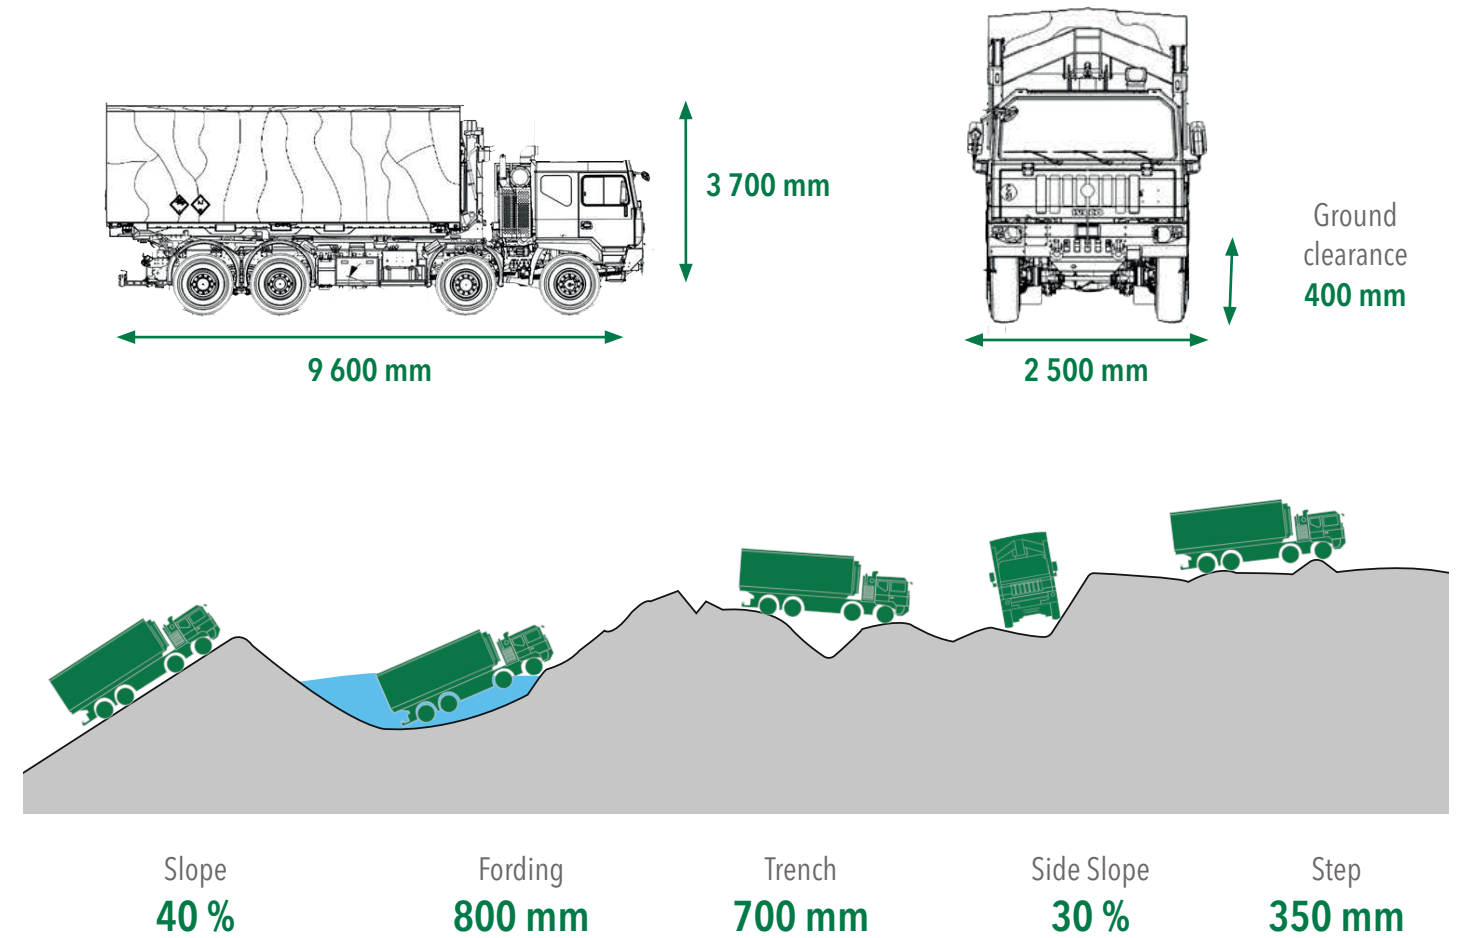

The **PPLOG** is an 8x8 logistic transport vehicle which can be armoured. It features a **hydraulic arm and excellent loading capability**. It is a **robust, reliable** vehicle with excellent mobility on all types of terrains.

Its **hydraulic arm** is used to load, unload and carry flatracks and 1C and 1 CC 20' containers, plus their transfer outo its logistic trailer (RLOG).

This carrier can **carry various payloads**, including dangerous substances, in accordance with the ADR regulation.

The PPLOG and its trailer (RLOG) form a whole: truck, trailer and flatracks. Together, they form the French army's latest generation logistic convoy, PPLOG/R, widely used in France and abroad.
